the smart way to help ensure your IT staff is equipped with the latest skills and knowledge to support your sophisticated network.

Cisco Expert-Level Training for CCIE - Cisco

The Cisco 360 program has been launched. What is it? It's Cisco authorized training for the CCIE R&S lab exam. There's going to be a lot of talk about this new program over the next few months. Will it be the next big thing in the training industry? Probably not! The new program appears to be riddled with holes and overpriced offerings.

I'm coming into the CCIE world after finishing the CCNP R&S in August, so this is the first time I've done a serious dig into MPLS. MPLS seems to be very multi-faceted, so I'm having some trouble approaching it in an organized and logical way. Digging into the Cisco whitepapers makes me feel like I've jumped into the topic in medias res.
